Health & Safety eLearning Training

Our “Essential Health & Safety” eLearning course package is ideal for businesses looking for an effective training solution regardless of whether delivered onsite or on the go. Advantages include:

- Unlimited number of employee users
- Easy to access—anytime, anywhere
- Complements any in-house training, helping to reduce costs.
- Provides the practical know-how to tackle job-related H&S issues.
- Reduces costs of formal assessment/speeds up the accreditation process.
- Contributes to formal qualifications and licensing, for example, apprentices, operational staff, promotions, skills upgrades.
- Approved and accredited by RoSPA, CPD and exclusively mapped to National Occupational Standard (NOS), providing credits towards relevant NVQs.

Online Portal Features

- Self-assessment (gap analysis).
- Ask the Expert accessible 24/7, with a guaranteed response within 24 hours, securely stored onsite.
- Industry guides for key business areas.
- Health & Safety and Human Resources management support.
- Business continuity portal.
- Document manager to restore records in one easily accessible location.
- News alerts and regular updates on legislative changes and matters important to your business.
